

PREEMIE GATHERED BACK BONNET – GIRL/BOY

Supplies:

- Fabric to match gown
- Ribbon for ties
- Interfacing for brim on boy's bonnet
- Lace for girl's bonnet

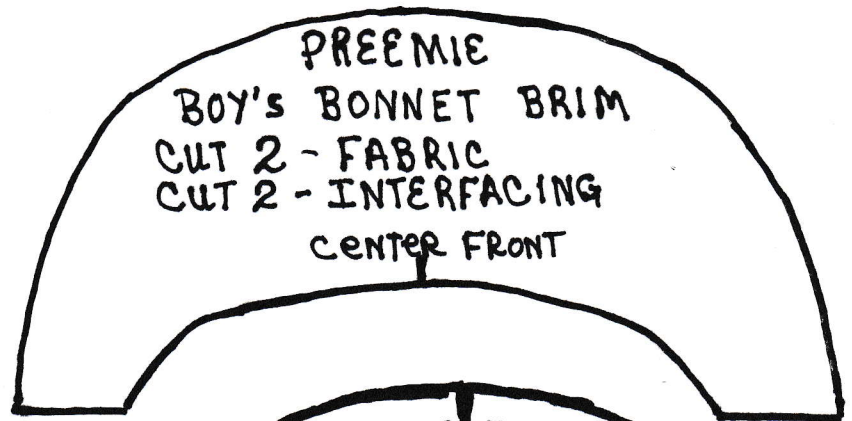

Directions:

Using 1/4" seam allowance

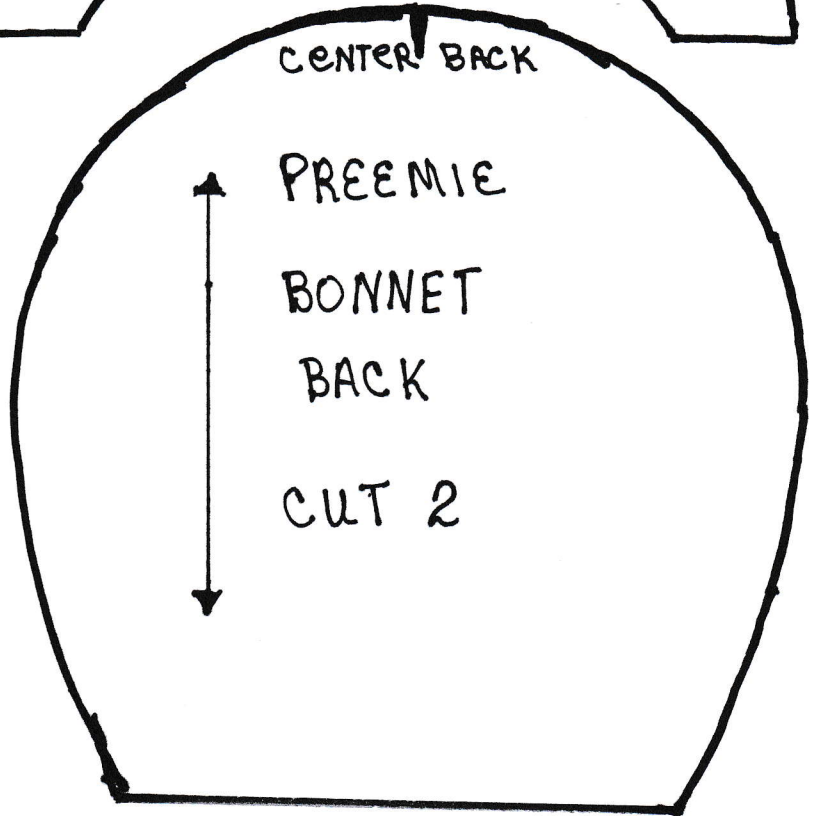

1. Matching center of one bonnet back to center of curved edge of one bonnet side, ease bonnet side into back. Repeat for the second back and side.
2. **For boys bonnet:** With right sides of fabric together and interfacing on the outside, sew the brim together on rounded edge leaving inside open to turn. Turn and press. Topstitch outside edge. Match center hat side and center of brim, sandwiching the brim between the two hat side. Sew around the hat leaving an opening at the neck edge to turn. Turn. Press. Stitch opening closed.
3. **For girls bonnet:** With right sides of fabric together sew the bonnets together leaving an opening at the back bottom to turn. Turn. Press. Stitch opening closed. Top stitch outer edge.

Lace can be added to front edge of bonnet.

4. Attach 8" ribbon ties to side fronts.
