

# PREEMIE SWEATSHIRT

## Supplies

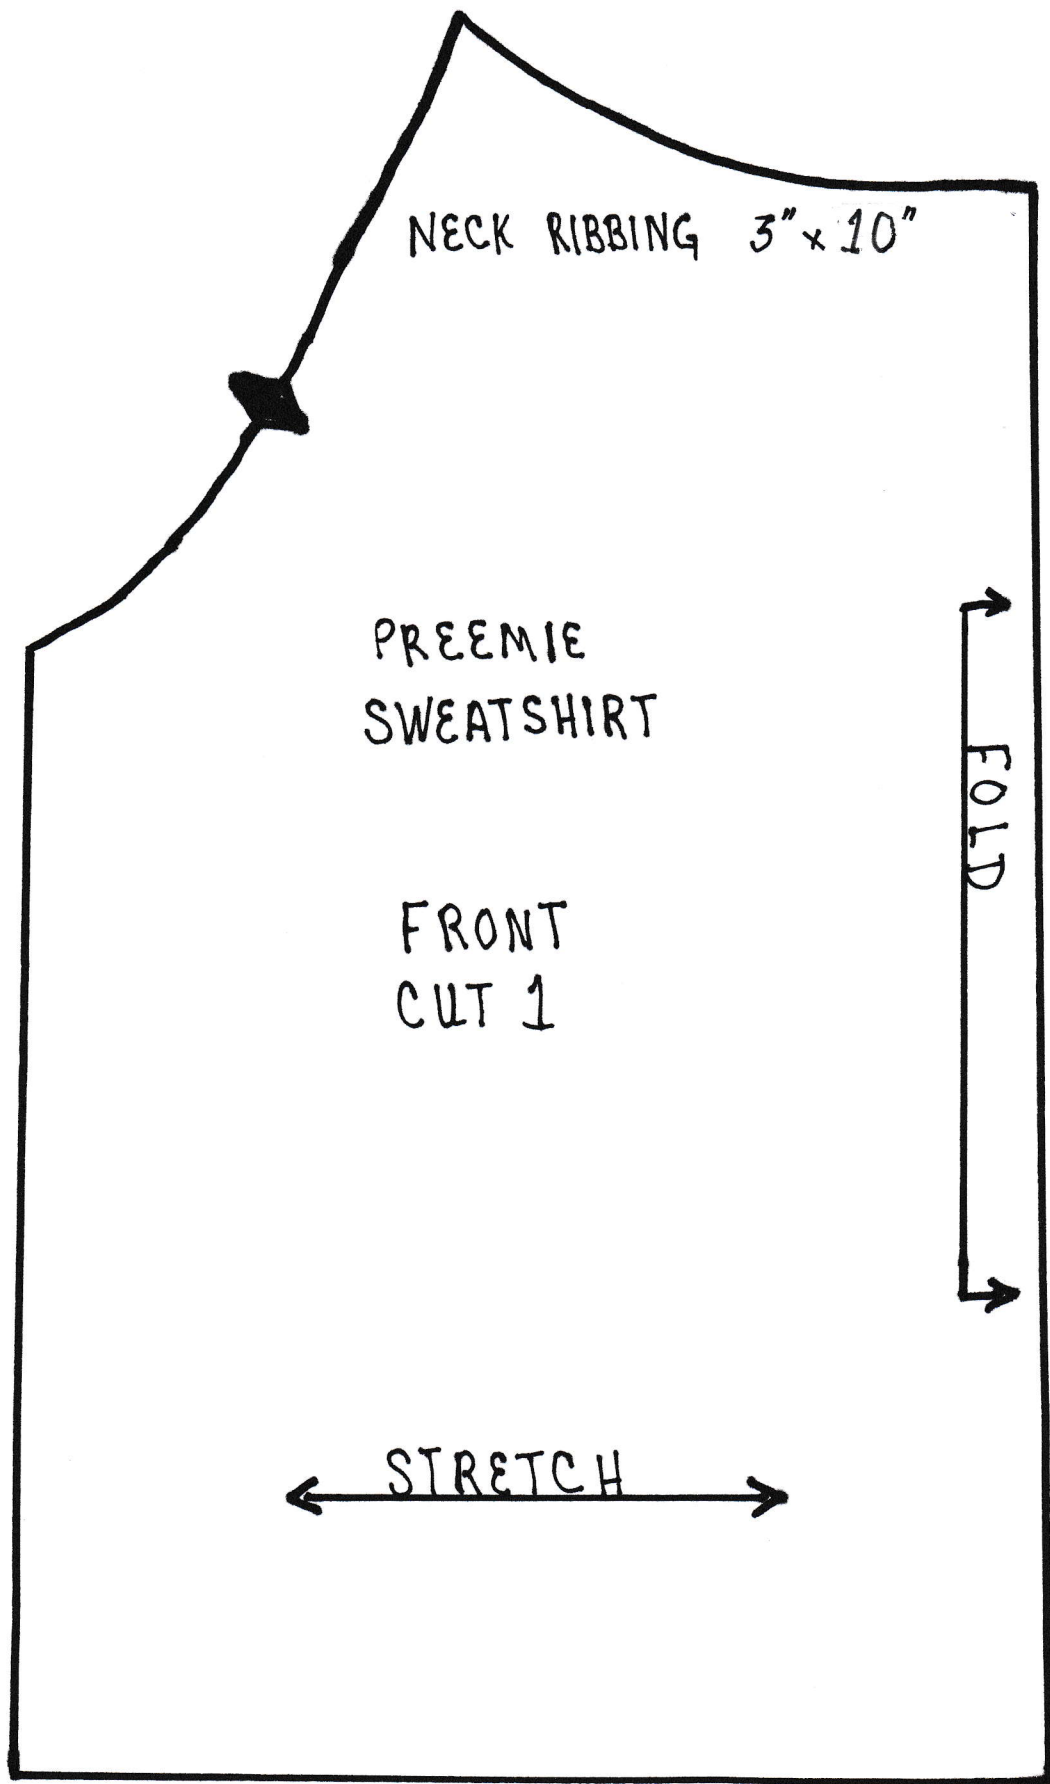

1/3 yard sweatshirt fabric  
3" Ribbing  
Thread

## Directions:

Cut 2 – 3" x 4" ribbing for sleeves  
Cut 1 – 3" x 10" ribbing for neck

1. Fold sleeve ribbing widthwise. Trim using the template to shape.
2. Fold sleeve ribbing lengthwise and divide into four equal sections and mark with three pins along the raw edge.
3. Divide the sleeve cuff into four equal sections and mark with three pins.
4. Match the raw edges of the sleeve and ribbing with the pins aligned. Sew the ribbing to the right side of the sleeve stretching to ease in the sleeve.
5. Sew three shoulder seams, leaving one open.
6. Fold neck ribbing lengthwise. Divide into four sections and mark with three pins along the raw edge.
7. Divide the neck into four sections and mark with three pins.
8. Match ribbing and neck pins and pin to the right side of the neck.
9. Sew ribbing to neck to the right side stretching as you sew to ease into neck..
10. Sew the shoulder seam.
11. Sew side seams and out the sleeve.
12. Press up 5/8" hem on bottom of shirt and sew in place.
