

Animals and Toys

1. Cut two pieces from fabric.
2. Sew around the edge of fabric leaving an opening for turning (stuffing).
3. Clip curves
4. Turn animal right side out.
5. Press if necessary
6. Stuff animal with polyfil. (stuff so it is firm but not hard.)
7. Slip stitch opening closed
8. Add ribbon bows around neck...tie a knot before the bow so a child cannot get it off and choke on it.

Note: Faces are not necessary, but if you choose to put one on the toy... embroider it, use safety eyes (never buttons), or paint them with fabric paint that is **non-toxic**.
